

# Epson CaptureOne

The industry's most reliable desktop check scanner

*Based on over 20 years of Epson's award-winning imaging technology, CaptureOne™ offers innovative new features, the highest MICR accuracy available and the quality and reliability that Epson is known for all in one easy-to-use, compact design.*

## CaptureOne Highlights

<b>Range of Scanning Speeds</b>	30, 60 or 90 dpm; single-feed model also available
<b>Industry-Leading MICR Accuracy</b>	Over 99.9% MICR accuracy virtually eliminates unreadable checks due to misreads and substitution errors
<b>Superior Image Quality</b>	Epson's precision image enhancement drops unnecessary background imagery to ensure clearest possible image is captured
<b>Best-in-Class Reliability</b>	2.47 million MCBF (Mean Cycles Between Failure) ensures trouble-free performance and low total cost of ownership
<b>Two-Pocket Support</b>	Gives flexibility to process exceptions or segregate documents
<b>Check and Document Sizes</b>	Accepts a mix of personal and business check-size documents
<b>Document Feeder</b>	Easy-to-use, accommodates up to 100 documents
<b>Built-in Franker</b>	Prints static message on checks to prevent double processing
<b>User Friendly Features</b>	Easy to install and use; simple tasks like undoing a jam or replacing franker unit can be done in seconds with no special training
<b>Quality Construction</b>	Unlike other scanners, CaptureOne features all-metal components to ensure long life of scanner and low maintenance
<b>Energy Efficiency</b>	Scanner features low power consumption and automatically shifts to lower power mode when not in use
<b>Two-Year Warranty</b>	Longest standard warranty of any desktop check scanner in the industry; lowers total cost of ownership
<b>World-Class Service and Support</b>	Backed by Epson's industry-leading ExpressCare <sup>SM</sup> Program
